**Re: K. Hovnanian Shore Acquisitions, LLC;
Shrewsbury Borough, Block 2, Lots 1 and 13**

Dear Michele:

Pursuant to the discussion at the last Planning Board hearing, I would like to set forth the proposed schedule of testimony for our witnesses. Although I stated as such on the record at the end of the last hearing, I would like to reiterate for the sake of clarity.

January 14th

Fiscal Impact - Richard Reading
Traffic - Jeffrey Fiore
Landscaping - Jay Cosentino

January 20th

Environmental - Vajira Gunawardana
Architecture - Mark Toconita
Planner - Jim Kyle

Obviously, the above schedule will be subject to the amount of testimony we can get through at each hearing and whether Board questions require a different order.

Please let me know if you have any questions or concerns. Thank you.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Michael R. Macaninch'.
