

Shrewsbury Block Parent Program Participant List Updated

The Block Parent Program was developed to offer children a home or homes on every street and in every neighborhood in town that is considered a “safe house”. These homes are where a child will be safe to seek refuge if they are hurt, scared or lost. The adults in these homes will judge the severity of the emergency and call the parent/guardian or the police as they deem necessary. All Block Parent participants were subjected to fingerprint searches by the state and reviewed by our local police. All approved Block Parent homes are identified by a prominent red hand print sign in their window.

Below is an updated and comprehensive list of the Block Parent homes in Shrewsbury. Please take time to review this list with your children making sure they are familiar with the location of Block Parent homes on the streets where they play or walk to and from school. These homes are there for emergencies only and should not be used as a place to get a drink of water or a quick bathroom stop. Please contact Nancy Cody at (732) 345-0295, Karen Lloyd (732) 450-9725, Marianne Quirk-Bradley (732) 758-9321 or Officer MaryEllen Rumola (732) 741-2500 with any questions, comments or interest in joining the program.
