

Shrewsbury Residents:

We need your help in keeping our children safe. Parents, please stress to your children that when they are riding their bicycles they must ride on the shoulder of the road and must wear helmets at all times. Also, please remind them that when walking down the street, to use sidewalks when they are available.

Drivers, please be mindful of the increased number of children on the roads at all times of the day and make sure you are observing the posted speed limit.

We all play a role in keeping Shrewsbury and its children safe. We thank you in advance for helping us make Shrewsbury such a great place to live.
