

The 6th Annual Esther Hymer Nature Preserve Hike

Facilitated by: The Shrewsbury Shade Tree Commission
September 13, 2025 - 9:00 am to 10:30 am

Meet Between 221 and 229 Williamsburg Drive

What you get:

- A little bit of history.
- A smattering of biology and ecology.
- A perspective on trees and their benefits.
- A lot of fresh healthy air.

We suggest:

- Long pants.
- Closed toe shoes (we will cross a wet stream).
- Bug spray.
- Drinking water.

If you haven't visited the preserve, this is a great opportunity to see first-hand nature's wonders here in Shrewsbury.
