

****Be A Senior Assistance Volunteer!****

With the current Covid-19 situation, the need to protect our seniors and elderly population during this unprecedented time is paramount.

Let's pull together to help those in need...we're calling on our community's sense of volunteerism —

We are looking for volunteers to be on the frontline in assisting our senior population with food and/or medicine delivery.

If you would like to be a volunteer, or know a senior needing assistance in Shrewsbury, please email:

Council President - Kim Doran Eulner
kdoraneulner@shrewsburyboro.com

And include the following information: Name, address, phone number and email.

Please pass this program information to friends, family and other seniors in Shrewsbury.

And remember, it takes a village....
