

State of the Borough – 2024

Having been appointed and sworn in as the Borough of Shrewsbury Mayor on Tuesday, January 9, 2024, I was honored and amazed to see a “standing room only” filled Court Room on a stormy evening.

Being a life-long resident of this wonderful town, makes me especially proud to have been selected to represent our residents as your mayor.

I thoroughly enjoyed my four years (2018-2022) as Borough Councilwoman and two challenging and rewarding years as the Legislative District 11 Assemblymember from 2022-2024. Having served in these different capacities has taught me so much about our town, our county, our state and especially myself.

As your Mayor, I will continually work hard to represent our residents, our businesses and our borough employees and volunteers to the best of my ability. I know that it takes a village and will count on many, if not all of you, to help keep our little town as wonderful as we know it to be.

We all know that our community pride is strong, but I feel that bringing attention and accolades to our active military members, our veterans, our residents of all ages for their good deeds, talents and more to be an important part of my role and will only help us grow as a community. #ShrewsburyProud

Above and beyond our residents, we have a stellar K-9 School which is undergoing an expansion to become a better place for our children to learn and flourish as citizens of the world. We have amazing parks, open space, easy access to the Monmouth County Library system and many retail and businesses in our town. We are the crossroads of Monmouth County – both historically and today.

One of our crown jewels, The Allen House, will be undergoing a refurbishment in upcoming years which will further beautify our Historical Four Corners. In 2026, we will happily celebrate our town’s Centennial along with the County’s 250th Anniversary Celebration.

As I start my first year as your appointed Mayor, I welcome you to attend a Monthly Council Meeting, say hello to me when you see me at a town event, email or call to discuss any issues you want to bring to my attention and more. I am your mayor and your voice and representative and I value the trust that has been given to me.

Sincerely,
Kim Doran Eulner
